- 30+** egg-laying chickens
- 1:10** student-teacher ratio
- 30%** international boarding students
- 70%** local Hawai'i students

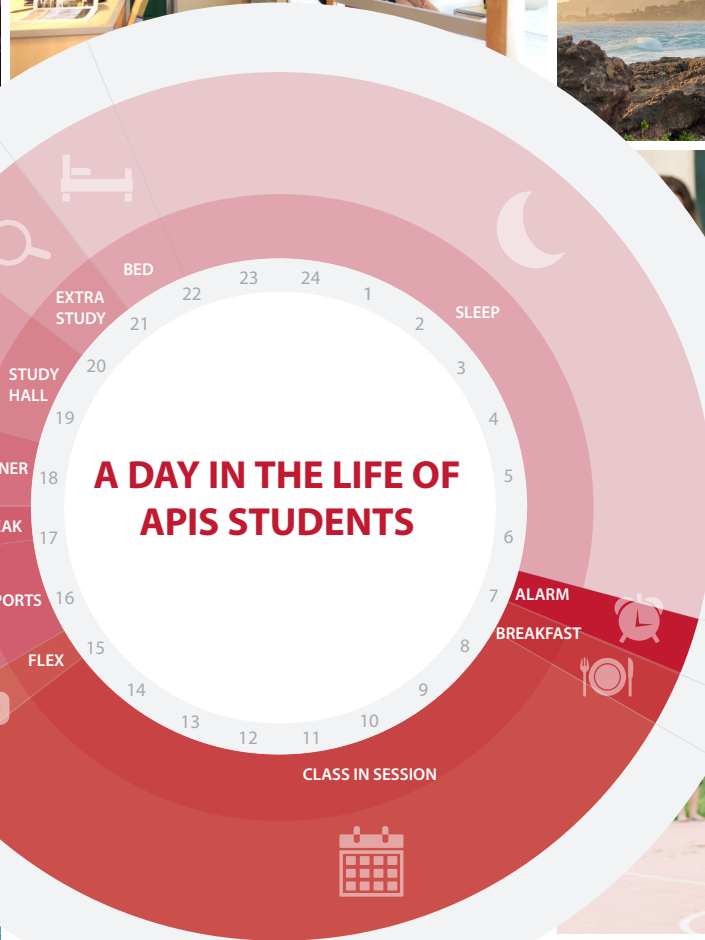

SHORT-TERM EXCEPTIONAL EDUCATION EXPERIENCE

Engage in Asia Pacific International School's new kind of global education for one to eight weeks or more as a visitor. Nestled against an emerald green mountain that overlooks the crystal waters of the Pacific Ocean, our 97-acre campus on the North Shore of O'ahu is a safe learning environment where students build relationships, explore their passions, and become leaders who are able to bridge the gap between East and West.
